HOW IT TERMINATED

THE TEST OATH BILL.

month in each year made from the term of their sentence. Mr. Ramsey introduced a bill providing that it shall be lawful for any officers of the

that it shall be lawful for any officers of the Government, or other persons entitled to the franking privilege, to exercise the privilege by his own written autograph signature upon the matter frankel; and all letters not so franked shall be charged regular postage. And it further authorizes the appointment of a franking clerk by the head of each executive department, under regulations to be prescribed by the Postmaster General. Referred to the Committee on Post Offices and Post Roads.

Mr. Norton introduced a bill amendatory of the Homestead law, and for other purposes.

The bill provides that in the case of any person who was in the military or naval service at the date of the said set of May 20th, 1892, and who at the time was a resident upon any of the public lands of the United States under the pre-emption laws, and whose family or some member thereof resided on the land he may desire to enter, and upon which a bone, ide estilutent has been made, the period of five years settlement required by said sot, shall be estimated from the 20th of May, 1862, and at the expiration of five years from that date a patent shall issue to said person. Section two exactends the provision of the foregoing section to the widow of a soldier or sailor dying in the service. Section three provides that nothing in the service. Section three provides that nothing in the service. Section three provides that nothing in the service. Section there provides that nothing in the service. Section there provides that nothing in the service emption laws on account of any railroad or any grant whatever, when the pre-emption claim had its inception prior to the location of such railroad or other grant. Section four provides that the applicant to clasings a pre-emption to a flormested entry, shall pay to the register and receiver each, as commissioners, at the time of application, one per centum upon the cash price as fixed by the law of the land applied for, and the like commissioners when the claim is finally established. The bill provides that in the case of any perso
